SUPERSEDING INDICTMENT

THOMAS G BRUTON  
CLERK, U S DISTRICT COURT

COUNT ONE

The SPECIAL SEPTEMBER 2014 GRAND JURY charges:

1. At times material to this Indictment:

The Medicare Program

a. The Medicare program was a federal health care program providing benefits to persons who were over the age of 65 or disabled. Medicare was administered by the Centers for Medicare and Medicaid Services, a federal agency under the United States Department of Health and Human Services. Individuals who received benefits under Medicare were referred to as Medicare "beneficiaries."

b. Medicare was a "health care benefit program," as defined by Title 18, United States Code, Section 24(b).

c. The Medicare program included coverage under two primary components, hospital insurance ("Part A") and medical insurance ("Part B"). Part A of the Medicare program

covered the cost of home health care services such as skilled nursing services and physical therapy.

d. Palmetto GBA and National Government Services were the CMS-contracted carriers for Medicare Part A in the state of Illinois. TrustSolutions, LLC and Cahaba Safeguard Administrators, LLC were the Program Safeguard Contractors for Medicare Part A in the state of Illinois.

e. By becoming a participating provider in Medicare, enrolled providers agreed to abide by the policies and procedures, rules, and regulations governing reimbursement. To receive Medicare funds, enrolled providers, together with their authorized agents, employees, and contractors, were required to abide by all the provisions of the Social Security Act, the regulations promulgated under the Act, and applicable policies and procedures, rules, and regulations issued by CMS and its authorized agents and contractors. Health care providers were given and provided with online access to Medicare manuals and service bulletins describing proper billing procedures and billing rules and regulations.

f. Upon certification, the medical provider, whether a clinic or an individual, was assigned a provider identification number for billing purposes (referred to as a PIN). When the medical provider rendered a service, the provider submitted a claim for reimbursement to the Medicare contractor/carrier that included the PIN assigned to that medical provider.

g. Medicare Part A regulations required health care providers enrolled with Medicare to maintain complete and accurate medical records reflecting the medical assessment and diagnoses of their patients, as well as records documenting the actual treatment of the patients to whom services were provided and on whose behalf claims for payment were submitted. These records were required to be sufficient to permit Medicare, through its

contractors, to review the appropriateness of payments made to the health care provider under the Part A program.

h. Providers could submit claims to Medicare only for services they rendered, and providers were required to maintain patient records to verify that the services were provided as described in claims for payment submitted to Medicare.

i. To receive reimbursement for a covered service from Medicare, a provider was required to submit a claim, either electronically or using a form, containing the required information appropriately identifying the provider, patient, and services rendered.

j. A home health agency was an entity that provided health care services to Medicare beneficiaries in their homes. Home health care services included but were not limited to skilled nursing services and physical therapy. Medicare covered home health care services when beneficiaries needed skilled care and were homebound.

k. For a beneficiary to be eligible to receive home health care services covered by Medicare, a physician was required to certify that the patient needed skilled care and was homebound. In addition, the home health agency was required to provide the beneficiary with a comprehensive assessment of the beneficiary's health status, as conducted by a registered nurse. The registered nurse was required to independently assess the beneficiary's homebound status.

l. The comprehensive assessment required by Medicare was also referred to as the Outcome and Assessment Information Set, or OASIS. The health information collected during the comprehensive assessment was required to be reported to Medicare, and Medicare used the information to calculate the amount the home health agency would be paid for the

episode of care. Medicare paid the home health agency more for an episode of care when the comprehensive assessment indicated the beneficiary's clinical condition was more severe.

m. Federal law prohibited physicians who received compensation from a home health care company from referring patients to that company for home health care services. Such physicians were expressly prohibited from supplying home health certifications, or establishing or reviewing the home health plan of treatment, for any patient of the home health care company from which the physician received compensation.

2. From in or around January 2008 and continuing through in or around March 2014, at Cook County, in the Northern District of Illinois, and elsewhere,

JANET GUERRERO,  
SHERWIN CUBELO,  
JOSEPHINE TINIMBANG,  
JOSE CALUB,  
SHARON GULLA,  
MARILOU LOZANO,  
RONALD MALALIS,  
MARY PILAR MENDOZA, and  
ISABELITA SABEJON,

defendants herein, did conspire with each other and others, known and unknown to the Grand Jury, to violate Title 18, United States Code, Section 1347, that is, knowingly and willfully to execute a scheme and artifice to defraud a health care benefit program affecting commerce, as defined in Title 18, United States Code, Section 24(b), that is, Medicare, and to obtain, by means of materially false and fraudulent pretenses, representations, and promises, money and property owned by, and under the custody and control of, said health care benefit program, in connection with the delivery of and payment for health care benefits, items, and services, which conspiracy is further described below.

**Purpose of the Conspiracy**

3. It was a purpose of the conspiracy for defendants JANET GUERRERO, SHERWIN CUBELO, JOSEPHINE TINIMBANG, JOSE CALUB, SHARON GULLA, MARILOU LOZANO, RONALD MALALIS, MARY PILAR MENDOZA, and ISABELITA SABEJON to unlawfully enrich themselves and others by, among other things, submitting or causing the submission of false and fraudulent claims to Medicare, and diverting proceeds of the fraud for the personal use and benefit of the defendants and their co-conspirators.

### **Manner and Means**

4. It was part of the conspiracy that SHERWIN CUBELO and others supplied Donnarich, Josdan, and Pathways with the names and contact information of Medicare beneficiaries who did not qualify for home health care services because they were not homebound and did not need skilled care.

5. It was further part of the conspiracy that SHERWIN CUBELO and others received bribe and kickback payments from JOSEPHINE TINIMBANG and others in exchange for supplying Medicare beneficiaries to Donnarich, Josdan, and Pathways.

6. It was further part of the conspiracy that JOSEPHINE TINIMBANG caused JANET GUERRERO and others to keep track of the beneficiaries referred to Donnarich, Josdan, and Pathways by CUBELO and others.

7. It was further part of the conspiracy that JOSEPHINE TINIMBANG caused JANET GUERRERO and others to calculate the bribe and kickback payments CUBELO and others were owed in exchange for referring Medicare beneficiaries to Donnarich, Josdan, and Pathways.

8. It was further part of the conspiracy that JANET GUERRERO, JOSEPHINE TINIMBANG, SHARON GULLA, and others arranged for and caused others to arrange for home health services for the beneficiaries referred by SHERWIN CUBELO and others, knowing that such beneficiaries did not need home health care and were not qualified for home health care because they were not homebound.

9. It was further part of the conspiracy that JANET GUERRERO and others communicated with SHERWIN CUBELO and other referral sources when the beneficiaries

those sources referred to Donnarich, Josdan, and Pathways refused services, so that CUBELO and others could contact the beneficiaries and persuade them to enroll in home health care.

10. It was further part of the conspiracy that at times, SHERWIN CUBELO paid the beneficiaries he referred to Donnarich, Josdan, and Pathways to induce them to agree to accept home health care services.

11. It was further part of the conspiracy that JANET GUERRERO, JOSEPHINE TINIMBANG, JOSE CALUB, SHARON GULLA, MARILOU LOZANO, RONALD MALALIS, MARY PILAR MENDOZA, ISABELITA SABEJON, and others enrolled and caused to be enrolled Medicare beneficiaries in home health care at Donnarich, Josdan, and Pathways even though they were aware that the beneficiaries did not need or qualify for the care, causing Medicare to pay Donnarich, Josdan, and Pathways for home health care services that were not medically necessary and were not provided.

12. It was further part of the conspiracy that JOSEPHINE TINIMBANG, JOSE CALUB, SHARON GULLA, and others subjected Medicare beneficiaries to and caused them to be subjected to a pre-planned schedule of enrollments, discharges, and re-enrollments, such that beneficiaries were discharged from care and re-enrolled in care regardless of whether they qualified for or wanted it.

13. It was further part of the conspiracy that JOSE CALUB would be paid a salary by Donnarich, Josdan, and Pathways, and would also bill Medicare and cause Medicare to be billed for visiting beneficiaries and certifying and re-certifying them as homebound and eligible to receive home health care when they were in fact not homebound and not eligible to receive home health care.

14. It was further part of the conspiracy that when JOSE CALUB could not personally bill Medicare for visiting and certifying the patients he enrolled in home health care at Donnarich, Josdan, and Pathways – because some of the patients did not have the pertinent type of Medicare coverage – JOSE CALUB would submit invoices to Donnarich, Josdan, and Pathways, and the three home health companies would pay JOSE CALUB for those patients directly.

15. It was further part of the conspiracy that JOSEPHINE TINIMBANG, JANET GUERRERO, SHARON GULLA, and others ignored the findings of physicians who concluded that beneficiaries were not homebound, were not qualified for home health care, and did not need it; and obtained other physicians, including JOSE CALUB, to certify the beneficiaries as eligible to receive home health care.

16. It was further part of the conspiracy that MARILOU LOZANO, RONALD MALALIS, MARY PILAR MENDOZA, ISABELITA SABEJON, and others falsified information in medical records, including but not limited to OASIS forms, to make it appear that beneficiaries were homebound and qualified for home health care services when in fact they were not homebound and did not qualify.

17. It was further part of the conspiracy that MARILOU LOZANO, RONALD MALALIS, MARY PILAR MENDOZA, ISABELITA SABEJON, and others falsified information in medical records, including but not limited to OASIS forms, to make it appear that beneficiaries were sicker than they truly were, and needed assistance that they did not in fact need, so that Medicare would pay more money to the home health care companies.

18. It was further part of the conspiracy that JANET GUERRERO, SHERWIN CUBELO, JOSEPHINE TINIMBANG, JOSE CALUB, SHARON GULLA, MARILOU

LOZANO, RONALD MALALIS, MARY PILAR MENDOZA, ISABELITA SABEJON, and others caused Donnarich, Josdan, and Pathways to submit claims to Medicare for services that were not medically necessary, and caused Medicare to make more than \$60 million in payments for home health care services, at least \$45 million of which were fraudulent.

19. It was further part of the conspiracy that JANET GUERRERO, JOSEPHINE TINIMBANG, and others would transfer and disburse, and cause the transfer and disbursement of, funds from the various bank accounts of Donnarich, Josdan, and Pathways, and from secondary bank accounts that were funded by Donnarich, Josdan, and Pathways, to themselves and others.

20. It was further part of the conspiracy that JOSEPHINE TINIMBANG, JANET GUERRERO, and others would cause the proceeds of the fraud to be used to purchase assets for the benefit of JOSEPHINE TINIMBANG and others, including but not limited to assets such as investment accounts, shares of stock, vehicles, real estate, and jewelry.

21. It was further part of the conspiracy that the defendants and others misrepresented, concealed, hid, and caused to be misrepresented, concealed, and hidden, the purpose of the conspiracy and acts done in furtherance of the conspiracy.

All in violation of Title 18, United States Code, Section 1349.
